

DET NORSKE VERITAS

TYPE APPROVAL CERTIFICATE

CERTIFICATE NO. **S-7925**

This is to certify that the
Chain, shackles, swivels, sockets

with type designation(s)

Green pin standard shackles, Green pin polar shackles

Issued to

Van Beest B.V.
SLIEDRECHT, Netherlands

is found to comply with
Standard for Certification No. 2.22 Lifting Appliances

Application

Loose gears for offshore cranes

This Certificate is valid until **2018-06-30**.

Issued at **Høvik** on **2014-06-16**

DNV local station: **Rotterdam, MOU-Offshore Installations**

Approval Engineer: **Antonio Sendin Alvarez**

for **Det Norske Veritas AS**

Aldo Matteucci
for **Aldo Matteucci**
Head of Section

This Certificate is subject to terms and conditions overleaf. Any significant change in design or construction may render this Certificate invalid. The validity date relates to the Type Approval Certificate and not to the approval of equipment/systems installed. If any person suffers loss or damage which is proved to have been caused by any negligent act or omission of Det Norske Veritas, then Det Norske Veritas shall pay compensation to such person for his proved direct loss or damage. However, the compensation shall not exceed an amount equal to ten times the fee charged for the service in question, provided that the maximum compensation shall never exceed USD 2 million. In this provision "Det Norske Veritas" shall mean the Foundation Det Norske Veritas as well as all its subsidiaries, directors, officers, employees, agents and any other acting on behalf of Det Norske Veritas.

Product description

Green pin standard shackles and green pin polar shackles:

Minimum design temperature: -20 deg.

Dynamic factor (DAF): 1.3

Safe Working Load (SWL) as stated in the type approved drawings.

Application/Limitation

1. All materials are to be delivered with 3.1 certificates, documenting mechanical properties and chemical composition in accordance with the Type Approval documentation.
2. Material specification for each shackle is stated in the type approved documentation.

Tests carried out

Prototype tests carried out 2013-02-22 on parts GPGHMB45, GPGHMB35, GPGHMB22, GPGHMB16 and witnessed by the DNV surveyor

In order to obtain a CG3 certificate covering a batch of shackles, at least the 10% of the shackles included in the batch shall be tested according to DNV's Standard for Certification 2.22 "Lifting Appliances", June 2013, Ch.2 Sec.12.

Certificate No.: S-7925
File No.: 686.74
Job Id.: 262.1-015665-1

Marking of product

Each shackle shall be marked in accordance to DNV's Standard for Certification No. 2.22 "Lifting Appliances" June 2013 Ch.2 Sec.12.

Periodical assessment

For retention of the Type Approval, a DNV surveyor shall perform a survey every second year and before expire date of this certificate to verify that the conditions for the type approval are complied with.

END OF CERTIFICATE
